A OPEN LIBRARY SPACE FOR EXCHANGING USED BOOKS LIKE USED BOOKS VENDER BEFORE COULD GIVE PEOPLE A CASUALLY READING. AND THERE IS NO BOUNDRY FOR A LIBRARY. YOU DON'T NEED "GO TO" LIBRARY. INSTEAD, YOU CAN GO THROUGH HERE LIKE PARKS NEAR YOUR HOUSE.
A open library space for exchanging used books like used books vendor before could give people a casually reading. And there is no boundary for a library. You don't need "go to" library. Instead, you can go through here like parks near your house.
Campus for students is a place too familiar with to really recognize. Some thing nearby is the same thing we ignore.
TO REBUILD A CAMPUS ADMINISTRATION CENTER
TO REFRESH THE RELATION BETWEEN MAN & LAKE
TO RECREATE A CAMPUS GATE

APPROCHING THE LAKE
OPEN PATHS
MAIN ROAD
FOR PRIVATE & ADMINISTRATIVE PERSONNEL
FOR PUBLIC & STUDENT
In order to respond to the tower, the center’s vertical circulation and main building are composed of the form of tower. And the folding is a deck stretching into the lake.
CAMPUS IS A MICRO SOCIETY FOR STUDENTS. NOT ONLY LOCAL STUDENTS, BUT ALSO FOREIGN STUDENTS LIVE, LEARN AND PLAY HERE. IF THE ADMINISTRATION CENTER COULD BE A MULTI-CULTURE CENTER STIMULATING THE INTERACTION AMONG OTHER COUNTRIES’ EXCHANGE STUDENTS, WE CAN FIND SPACE’S OPPORTUNITIES FAR FROM JUST A TASK-PROCESSING STOP.
CAMPUS’ SPACE CHANGES DURING THE RAINNY DAY. THE RAIN INTRODUCES DIFFERENT PATHS FROM THE NORMAL. AND WE CHANGE OUR WAY ALONG THE PEDESTRIAN PATHS, AND SHELTERS DURING RAINNY DAY.
WATER FLOWS AND ACCUMULATES THAT CREATES WALKING OR HIDING BEHAVIORS. THE RAIN PATHS, MAKE THE OTHER KIND OF CAMPUS SPACE.
WATER CIRCULATES IN CAMPUS FROM RAIN, SCHOOL SEWAGE LIKE LINKING THE NATURE SYSTEM AND MAN MADE SYSTEM. WATER IS NOT ONLY FOR ONE WAY LOST, BUT ALSO COULD BE CIRCULATED.
